APPLICATION FOR A NEW TOWN WATER HOOK-UP

Name of Applicant: _____

Present Mailing Address: _____

Telephone: Daytime: _____ Evening: _____

Location of Hook-Up: _____

Type of Hook-Up: [] Residential [] Commercial

If Commercial, explain nature of business and estimated water usage: _____

Signature of Applicant: _____ Date: _____

Conditions Attached to Application: The Board of Water Commissioners reserves the right to refuse approval of the above application if, in their judgment, approval would prove harmful to the public interest. If said application is refused, the \$1,500.00 Hook-Up fee will be refunded. The water hook-up fee is in addition to any installation costs. It is not meant to cover the cost of installation. Payment of the fee is required in advance of any work being performed.

All work must be done per the specifications of the Water Department and under the approval of the Water Commissioners. The installation of a backflow preventer and pressure reducing valve shall be required.

The issuance of this permit does not release the Applicant from any requirements of statutes, ordinances, rules and regulations administered by other governmental agencies. This permit is issued subject to the directions, restrictions and conditions contained herein and on any attachments hereto, and covers only the work described in this application, and then only when the work is performed as directed. This permit is valid provided that construction takes place within one year of approval.
